

# 2014 Spring User Conference

April 8 - 11, 2014  
Milwaukee, WI

## Overview

Label Traxx is offering sessions covering accounting and custom report writing in addition to an overview of the production modules. Come to multiple sessions, or just the one that best fits the needs of your company. Register today. Complete the registration form included with this brochure and mail/email/fax back to us as soon as possible.

### Label Traxx Main Session

Label Traxx - Suite #114

Tuesday & Wednesday, April 8th and 9th 8:30am - 4:30pm

Session Fee: \$795.00

This 2 day session provides an overview of the estimating, order processing, job costing, stock product, quality control & eTraxx modules. You will gain a deeper insight into these areas of the program, discovering new ways to utilize various aspects of Label Traxx. Multiple Question & Answer sessions delve further into your specific company needs. Best yet, you can network with the other attendees to discover how their companies have addressed similar issues.

### Report Writing (Laptop required for this session)

Label Traxx - Suite #119

Thursday, April 10th 8:30am - 4:30pm

Session Fee: \$595.00

After attending this hands on session, you will have a better understanding of how Quick Reports and Super Reports function. You will gain practical application knowledge and valuable insights into using these powerful custom report writing tools. An understanding of relational databases or other report writing applications would be helpful.

(Laptop minimum system requirements - Windows 7 Pro with at least 2 Gigabytes of RAM - Mac OS X 10.6.8 with at least 2 Gigabytes of RAM)

### Introduction to Accounting

Label Traxx - Suite #114

Thursday, April 10th 8:30am - 4:30pm

Session Fee: \$495.00

This is a great session for anyone planning on implementing Label Traxx Accounting Modules, or for those who just began using it. The following topics will be covered: Financial Statements, Journal Entries, Budgets, General Ledger Analysis, AR, AP, Sales Tax, Commissions and Close Process. We will also review some of the standard reports available and have multiple question & answer sessions to address specific issues and learn from other Label Traxx users.

## Advanced Report Writing \_\_\_\_\_ (Laptop required for this session)

Friday, April 11 8:30am - 4:30pm

Label Traxx - Suite #119

Session Fee: \$595.00

This hands-on session goes beyond the initial Report Writing class to include advanced table linking, using more complex commands such as "Free Join" and building Arrays. The initial Report Writing class is a prerequisite for the Advanced Report Writing session. (Laptop minimum system requirements - Windows 7 Pro with at least 2 Gigabytes of RAM - Mac OS X 10.6.8 with at least 2 Gigabytes of RAM)

## Advanced Accounting \_\_\_\_\_ - New Session

Friday, April 11th 8:30am - 4:30pm

Label Traxx - Suite #114

Session Fee: \$595.00

This session is targeted to financial management and other users of financial information generated from Label Traxx. We will be covering the structure of financial statements, including use of divisions, break down of sales, and cost of goods sold section. In addition, gross profit calculation and reporting, use of stock products, inventory management, and business metrics. Learn about functionality within Label Traxx as well as from other users to develop a best practice for your company.
